

# Free Health Insurance Enrollment Assistance for Justice-Impacted People.

## Who We Are

Reentry Care provides a **free** service to help people with criminal records get health insurance coverage. We partner with jails, prisons, probation, parole, and nonprofits to connect individuals with licensed health insurance professionals to assist with free eligibility screening and enrollment. Most returning citizens qualify for coverage with premiums as low as \$0/month.

## Request Support Now

- Complete our short [intake form](#) requesting free health insurance enrollment assistance (takes 2 minutes).
- Reentry Care connects the individual with a licensed healthcare professional who can assist with coverage options and enrollment.
- Individuals receive guidance on next steps so they can access care, prescriptions, and services as quickly as possible.

Scan the QR code to request enrollment assistance.
